#### CONCLUSION

TAP is pleased to fulfill its mission to help individuals and families achieve economic and personal independence through education, employment, affordable housing, and safe and healthy environments.

Our work could not be accomplished without the support of the City of Roanoke and the ten other jurisdictions that have designated TAP as their

community action agency.

We still have much more work to do.

Thank you for your ongoing support.

Charlotte Moore, Board Chairman
And Entire TAP Board, Staff and Clients.
